Standards and Requirements

1. Ethics

1.1. Anti-Corruption

The Company is committed to conducting its business free from extortion, bribery and all unlawful, unethical or fraudulent activity. The Company's business partners must not offer, give, promise or authorize any bribe, gift, loan, borrowing, fee, reward or other advantage to any government official or employee, any customer, any the Company's employee or any other person to obtain any business advantage or improperly influence any action or decision. The Company's business partners must comply with all applicable laws and regulations.

1.2. Conflicts of Interest

The Company's business partners must avoid any situation or relationship that may involve an inappropriate conflict or the appearance of a conflict with the interests of the Company. The Company's business partners shall not offer or provide excessive gifts, hospitality or entertainment to any the Company's employee or family member of the Company's employees. The Company's employees and their family members may not hold any significant economic interest in any entity that does business with the Company and the Company's business partners are required to avoid such relationship with the Company's employees.

1.3. Insider Trading

The Company's business partners must ensure that non-public information obtained in the course their relationship with the Company is not used for the personal benefit of the Company's business partner, their employee or other persons.

1.4. Intellectual Property

The Company's business partners must use the Company's trade information, copyrights, and trademarks only in a manner that is permitted under their contracts with the Company and may not misappropriate or infringe upon the trade information, trademarks, or copyrighted works of others. The Company's business partners must not misuse trade secrets or proprietary or confidential information of others for their own purposes or disclose such information to unauthorized third parties. The Company's business partners must notify the Company of any unauthorized use of the Company's trade secrets, brands, trademarks, logos or confidential information by a third party.

1.5. Confidentiality

The Company's business partners must protect the Company's information, not disclose it to any unauthorized third party, and use it only for the business of the Company.

1.6. Fair Competition

The Company's business partners shall not:

- Propose or enter into any agreement with any competitor to fix prices, margins, or terms and conditions or to divide up any markets or customers, or
- Propose or enter into any agreement or understanding restricting resale pricing of the Company's products

1.7. Honest and Accurate Dealings

The Company's business partners shall not make any false representations in connection with any the Company's transaction including, but not limited to, oral misrepresentations of facts, the promotion or utilization of false documentation such as non-genuine customer purchase orders, fraudulent or forged contracts, forged letters of destruction and/or other false or inaccurate records.

2. Food Safety and Quality

Business partners shall provide high quality, safe and environmental friendly product and service in conformity with the Company's requirements and specifications as agreed.

3. Traceability

Business partners shall be able to provide the evidences or certificates of the product and service origin and international recognized quality standard of production to the Company and all the concerned parties, if requested.

4. Efficiency Improvement / Business Innovation

Business partners shall join forces with the Company in brainstorming, cooperating, and exchanging knowledge and experiences to improve and develop the operation processes for higher production efficiency and business innovations.

5. Risk Management

Business partners shall continually monitor situations, risk factors in economic, social and environmental dimension; and other concerned issues. Also Business partners should evaluate those impacts and set short - term and long - term risk management plans.

6. Labor Practice

Business partners are expected to treat their employees equally, with respect and dignity, in accordance with International Labour Organization (ILO) standards and applicable labour laws.

6.1. Child Labor/ Underage Labor

Business partners shall ensure that no underage labor has been used in the production or distribution of their goods or services. A child is any person under the minimum employment age according to the laws of the facility's country or in the absence of law. Business partner's shall not employ anyone younger than 15 regardless of the country's minimum working age. Business partner shall ensure that employee with the age younger than 18 years old shall not work in dangerous working area, and working time shall not be over than 8 hours a day and shall not work at night shift (10.00 pm - 06.00 am).

6.2. Female labor

Business partners shall ensure that female and pregnant employees shall not work in dangerous working area. Pregnant employee shall not work over than 8 hours/day and shall not work in night shift (10.00 pm - 06.00 am). Business partner shall not lay-off, demote or reduce benefits as a result of pregnancy.

6.3. Freedom of Association and Collective Bargaining

Business partners must recognize and respect the rights of employees to freedom of association and collective bargaining with the permit of law.

6.4. Forced and Compulsory Labor

Business partners will not use forced, prison or indentured labor. Business partners will ensure that terms of employment are voluntary. Business partners will not require any employee to remain in employment for any period of time against his or her will, or adopt practices that restrict employee's ability to terminate employment. Business partner shall not take possession of money or legal/ regulatory document (e.g. identity card, passport or work permit) for working assurance where it does not against the laws and regulations.

6.5. Employment Status

Business partners shall employ workers who are legally authorized to work in their location and facility and are responsible for validating employee's eligibility to work status through appropriate document.

6.6. Working Hours

Business partners shall comply with applicable laws on regular working hours and overtime hours and shall monitor overtime hours accordingly.

6.7. Compensation

Compensation paid to workers shall comply with all applicable wage laws, including those relating to minimum wages, overtime hours and legally mandated benefits. The information related to remuneration, benefit and welfare shall be informed to every employee in written documents and made in the language understood by every employee.

6.8. Discrimination, Harassment and Sexual harassment

Business partners will not discriminate in hiring and employment practices, including salary, benefits, advancement, discipline, termination or retirement, on the basis of race, religion, age, nationality, social or ethnic origin, sexual orientation, gender, pregnancy, marital status, political opinion, disability, membership of employee's association or any other category protected by law. Furthermore, must protect employees and workers from any form of harassment and sexual harassment.

7. Health & Safety and Environmental

The Company recognizes the significant value of natural resources and environment, which are basic elements of food businesses. The Company; therefore, has operated under "Green Business" concept conforming to the laws and regulations and has conducted efficient resource utilization and production process to achieve maximum benefits.

7.1. Health and Safety
